

Your Airedale Hospital Governor

I am the public governor for South Craven at Airedale NHS Foundation Trust.

My voluntary role is to represent your interests to the Trust's board and to hold its non-executive directors to account on your behalf.

If you need help or have unresolved questions about how you, a relative or a friend were cared for as an inpatient or outpatient at Airedale or Skipton hospitals I am here to help.

I would love to hear too of your positive experiences of staff at both hospitals who helped you on the road to recovery.

You can reach me at robert.minton-taylor@nhs.net or via my Facebook page [Robert@Airedale](#)
