Charity Registration

The RGMC successfully registered as a charity on 16 November 2023 under the name Cowling Recreation Ground and War Memorial Charity, also known as the RGMC

The Charity number is 1205753

The reason the RGMC decided to register as a charity is to enable the RGMC to access available grants and funds needed to carry out the necessary works to develop and maintain the Recreation Ground, and to limit the liability of the volunteers.
