What happens to your recycling?

All the recycling is kept separate from the rubbish we collect.

We really want to keep recycling as clean and dry as possible to make sure it can be recycled.

Don't be a wishcycler – if in doubt keep it out

We're unable to accept:

- ✘ Takeaway pizza boxes
- ✘ Black sacks, plastic bin bags or carrier bags – unless you have been provided with clear sacks by the council.
- ✘ Black plastic food trays
- ✘ Clothing and textiles
- ✘ Packaging wrap, eg crisp packets, biscuit and sweet wrappers
- ✘ Cling film and bubble wrap
- ✘ Electrical Items
- ✘ Rigid plastic such as Tupperware boxes, childrens toys, washing up bowls
- ✘ Food waste
- ✘ Pyrex, drinking glasses, window glass
- ✘ Vapes
- ✘ Batteries, lightbulbs, DIY products
- ✘ Nappies and sanitary products

What can be recycled elsewhere?

- Vapes, batteries and electricals must not be put in your recycling or rubbish bins. They can be taken to household waste recycling centres.
- Plastic bags, soft plastics and crisp packets can be taken to most supermarkets where collection points are available.
- Clothing and textiles can be donated to charity shops or placed in clothing banks.

What should I do with items that can't be recycled?

Most other items that cannot go in your recycling bin can be placed in your rubbish bin or taken to your local household waste recycling centre **northyorks.gov.uk/hwrc**
